DIVERSITY, EQUITY & INCLUSION STATEMENT

Cancer does not discriminate, and neither do we. At New Day Foundation for Families, we believe every cancer patient in every community deserves an equal opportunity for the best possible health care and supportive services. We know that diversity, equity, and inclusion are important in our community and across the state of Michigan. We are committed to providing supportive oncology services to people of any race, color, creed, nationality, religion or sexual orientation, and we believe that every New Day family, donor, volunteer, advocate, and employee deserves equal access to solving community problems.

We take the broadest possible view of diversity.

We value the visible and invisible qualities that make you who you are.

We welcome that every person brings a unique perspective and experience to advance our mission and progress our fight for the health, education, and financial stability of every person in every community.
